ACKNOWLEDGMENT

Charles Hall Youth Services is thankful to the many individuals, corporations, and foundations which support our organization and its efforts. As a community-based foster care provider, Charles Hall Youth Services recognizes that it truly takes a village to raise a child . . . using promising and best practices . . . strengths-based, solution-focused methods . . . individualized, child-centered programming that instills renewed hope . . . and, ultimately, an environment that promotes emotional stability, psychological resiliency, and safety.
